GENERAL AND REVENUE SECRETARIAT.

Serial Nos. one

Part B for July 1941

SUBJECT.

Protected places under Defence of India Rules

Pumping Station at Belgola.

F. Vajramani
31/7/1941

Protected Places under Defence of India Rules.

General and Revenue Secretariat	File No.	of 194	[App. F. III-2

Serial No.

From

The Inspector General of Police

Ac 1187/40.41 dated 16th July 1941

suggesting that the pumping station at Bolgola should be declared as a Protected place.

The Chemical and fertilizer factory at Bolgola was declared as a "Protected Place" in May 1940.

The D. G. P. suggests that a Commissioned Police guard should be placed over the factory, the transformer station attached to it and the Pumping Station at Bolgola on which the entire water supply of Mysore City depends. For this purpose he suggests that the pumping station also may be declared to be a Protected Place.

The Superintendent Vani Vilas Water Works at Mysore and the D. S. P. Mysore may perhaps be empowered to regulate admission into the Protected Place. This will also give effect to the recommendation of the DGP that the Pumping Station should be placed within the jurisdiction of the DSP Mysore.

A draft Notification and a draft reply to the DGP are put up for approval.

POLICE DEPARTMENT.

OFFICE OF THE
INSPECTOR-GENERAL OF POLICE IN MYSORE,

SECRET.

No. AC. 1187/40-41

Bangalore, dated.....July 16, 1941.....

FROM

E. G. B. PEEL, Esq., C.I.E.,
Inspector-General of Police in Mysore,
Bangalore.

To

The Chief Secretary
to the Government of Mysore, Bangalore.

Sir,

Subject: Transformer Station, Mysore Chemical and Fertilisers Factory, Belagula, and Electric Sub Station, Belagola Pumping Station, Mandya District - Protection against sabotage.

Sir,

I have the honour to invite a reference to your letter No.P.2941 dated the 7th December 1940 and enclosures, in which it was suggested that the above mentioned places should be declared "protected places", under the Defence of India Rules, as applied to Mysore.

2. I have recently been reviewing the arrangements for protecting Power Stations and similar vital points against sabotage, and I consider that the time has now come to give continuous Police protection both to the Chemical and Fertiliser Factory, which is now supplying Military requirements on a large scale, and to the Pumping Station at Belagola, on which the entire water supply of Mysore City depends.

3. Since the Transformer Station is part and parcel of the Chemical and Fertiliser Factory, which latter was declared to be a "protected place" in the Mysore Gazette of the 30th May 1940, it does not appear necessary to issue a separate notification, but I consider that the Pumping Station at Belagola should now be notified as a protected place.

4. Proposals for the entertainment of temporary additional armed Police consisting of one Naik and eight Constables for the Chemical

Chemical and Fertiliser Factory and of two Constables for the Pumping Station are being submitted separately.

5. The General Manager of the Chemical and Fertiliser Factory and the Superintendent of the Vanivilas Water Works at Mysore are being asked to arrange for a stout barbed wire fence around the protected areas and for the perimeter to be well lighted.

6. In this connection, I request that the Belagola Pumping Station, which is situated exactly on the boundary of the Mysore and Mandya districts, may be declared to be within the jurisdiction of the District Superintendent of Police, Mysore, in so far as it is a "protected place", since guards can be more conveniently provided from Mysore than from Mandya.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

329/Legis
2.41-1

§ 23.7.41.

Notification.

In exercise of the powers conferred by rule 7 of the Defence of India Rules, as applied to Mysore, the Government of His Highness the Maharaja are pleased to make the following further additions to Notification No.P.7551/Legis 29-39-8 dated 28th May 1940, namely--

Sl. No.	Name of Protected Place.	Locality.
47. 45	Pumping Station,	Belgula.

Under sub-section (5) of section 2 of the Defence of India Act, 1939, as applied to Mysore (Act XXVI of 1939) they are pleased to make the following further additions to Notification No.P.7552/Legis 29-39-9 dated 28th May 1940, namely--

Sl. No.	Name of Protected Place.	Officer empowered to exercise.
45.	Pumping Station, Belgula.	(1) The Superintendent, Vani Vilas Water Works, Mysore, and (2) the D.S.P. Mysore.

By Order,
